We would like to welcome you to First Nordic conference on personalized medicine that will take place from:

**May 30<sup>th</sup> – June 1<sup>st</sup> 2018**  
**at Hotel Nyborg Strand in Nyborg, Denmark**

Nyborg is located on the coast of Funen with beaches towards the Great Belt (Storebælt). Transport from Copenhagen airport is convenient with trains departing approximately every hour.

This 2.5-day conference will focus on both basic and clinical aspects of research regarding personalized medicine. Leading researchers from all over the world will contribute to the scientific program, which can be found at [www.norpm2018.com](http://www.norpm2018.com). The program covers various aspects of personalized medicine and will span mechanisms of drug variability to clinical implementation of this knowledge.

The conference is partly financed by a Sapere Aude - Research talent grant from the Danish Council of Independent Research.

More information regarding social program, submission of abstracts, registration and other news will follow on the conference website:
